Special Thanks

The Turner Dance Team deserves a HUGE thank you for volunteering last week for our Poms Camp. The Dance Team created the routines, taught the routines, and attended practices all week to help participants learn the basics of poms! Thank you Turner Dance and Coach Allie!

More Thanks

The 4th Annual Krueger Pool Triathlon is in the books! Thank you to over 30 volunteers and nearly 100 participants that made this great event possible. Like every year, this event is an enormous amount of work that leaves the Park & Rec Team feeling like it was worth every bit!

We would also like to thank our intern, Matt, who was behind every preparation, decision, ordering, and planning process of this year's event. This event causes sleep loss around our office, and this guy stepped in and did a great job! Thank you MATT!
