### FIREWORKS SAFETY—"BE A GOOD NEIGHBOR!"

Please note that due to an abundance of illegal fireworks being used on a citywide basis and the danger that poses to public health, safety and welfare, street closure permits the weekend prior to and up to July 4th have a special condition. That is, the street closure is contingent upon no illegal fireworks possession or usage. If illegal fireworks are used or possessed at the location holding the street closure permit, any future requests for street closures at that location will be denied. We encourage our citizens to "Be a Good Neighbor!"
