City of Beloit Cancels Snow Emergency

Feb. 20, 2019 - The snow emergency has been cancelled early as of 3 p.m. Wednesday, Feb. 20, 2019.

Original Release: The City of Beloit has declared a snow emergency for the following time period:

- **6 a.m. Wednesday, Feb. 20, 2019, to 11 p.m. Wednesday, Feb. 20, 2019**

Vehicles are prohibited from parking or standing on city streets during a snow emergency, according to Beloit city ordinance. Residents are reminded to move their vehicles from the streets to a driveway or an approved off-site parking lot (listed below). The Beloit Police Department and/or Code Enforcement will ticket and/or tow away any motor vehicle, trailer or semitrailer found in violation of this snow emergency declaration at the owner's expense.

"Beloit snow removal crew members rely on local residents to move the vehicles so they can clear snow from all streets during bigger snow events," said Laura Pigatti Williamson, Beloit public works director. "Our plow drivers work all day and all night to keep our community's roads safe for travel - please help them out by moving your vehicle during the snow emergency."
