City of Beloit Announces Changes to City Council Meeting

April 2, 2020 - The City of Beloit has implemented new measures to provide virtual access to City Council meetings in order to limit in-person attendance during the COVID-19 pandemic.

“We balanced the need to protect the public while providing open government meetings,” said City Manager Lori Curtis Luther. “The public is strongly urged to stay home and use an alternative means to participate in Monday’s City Council meeting. Each individual’s actions during this public health crisis could mean life or death for others in our community - please exercise social responsibility.”

The meeting will be held at 7 pm Monday, April 6. You can join the meeting in the following ways:

- Charter Channel 992
- Youtube: <https://www.youtube.com/user/BeloitAccessTV/>
- Teleconference: 312-757-3121; access code 606-743-981 *All participants’ phones will be muted.*
